DATE: February 11, 2014
TO: Certified Ginners
FROM: Harrison Ashley, National Cotton Ginners' Association
SUBJECT: Certified Ginner Continuing Education Requirements

National Cotton Ginners has received several inquiries regarding the Certified Ginners program and continuing education (CE) credits. To maintain your certification, you must complete twelve hours of CE credits over a three-year period. For example, if you received your certification in 2011, then, to remain in good standing in the program, you will need to complete your CE hours in 2014.

- Continuing education course work (CE) will be offered each year in conjunction with the annual ginner's schools. Each hour of participation at the NCGA-sponsored CE course work will receive one credit hour.
- Beltwide Cotton Ginners Conference participation will provide one hour credit for each hour of participation.
- Re-taking ginner's school course work (levels I-III) will also provide CE credit.
- Participation in local association schools, workshops, seminars, and tradeshow may be eligible for CE credit. An agenda and participation form must be submitted to National Cotton Ginners' Associations. Upon review, any CE credit hour(s) will be assigned to the participant. The [form](#) can be downloaded from the NCGA website.
