

**REPORT OF THE EDUCATIONAL AND  
PUBLIC RELATIONS COMMITTEE  
K. M. El-Zik, Chairman  
Department of Soil and Crop Sciences  
Texas Agricultural Experiment Station  
The Texas A & M University System  
College Station, TX**

Three requests for slides were received and 44 slides were made available. Two requests were for seed-seedling disease symptoms, and one for general cotton diseases. Several requests on description of cotton diseases were made, and requests were referred to the Compendium of Cotton Diseases, or to experts on the specific pathogen or problem.
