

## RMA Price Discovery Instructions

1. Open the RMA Price Discovery website located at <http://prodwebnlb.rma.usda.gov/apps/PriceDiscovery/GetPrices/YourPrice>
2. Select the commodity year.
3. Select the commodity.
4. Select the practice.
5. Select the state.
6. Select the sales closing date.
7. Click on view.
8. The start and end date is the price discovery period. The price and volatility is not final until the end of the discovery period.
9. Click on **Select New Criteria** to change your criteria and run a new report.
10. You can click on **Many Prices** at the top to run the report for multiple prices at the same time.
